### **Organic Beef Bone Broth**

Order code: RR0033

Packed 8/24oz

Package UPC 8-60666-00031-4

*Every bottle of our Butcher's Bone Broth is made the same way. Bones are slow-roasted to perfection, creating deep layers of flavor. Next, fresh organic vegetables are added, and together, they simmer for 24 hours. That's it—no added salt or preservatives. The result is a naturally thick, rich, and nutritious broth that you can cook with or simply enjoy on its own.*
