Vintage Cheddar & Caramelised Onion

Vintage cheddar and balsamic caramelised onions. Sweet yet savoury, this dip works beautifully with baked grissini, fresh apple or fennel.

This dip comes with a Caramelised Onion & Black Pepper Garnish.

Vintage Cheddar & Jalapeno

Creamy cheddar is blended with jalapeno for a pleasurable amount of heat. The flavours balance nicely on the pallet as the jalapeno does not overpower the creaminess of the cheddar.

This dip comes with a chilli flake garnish.

Goat Cheese & Black Truffle

Delicate and creamy Goat Cheese rubs shoulders with real pieces of black truffle. Enjoy garnished with accompanying sachet of black pepper.

This dip comes with a Black Pepper Garnish

Blue Cheese, Fig & Pistachio

Fig compote and pistachio, folded through the softest of soft blue cheese.

This dip comes with a Pistachio Garnish.
