What are Beyond Chicken Tenders?

Beyond Chicken Tenders are a plant-based chicken tender that's breaded to perfection for a crispy outside and irresistibly juicy, tender bite. They also offer 50% less saturated fat than the leading traditional breaded nugget.

What's in Beyond Chicken Tenders?

Like all of our products, Beyond Chicken Tenders are made of simple, plant-based ingredients with no GMOs, cholesterol, antibiotics or hormones. The protein comes from the faba bean, a nutrient-packed legume crop.

Are Beyond Chicken Tenders vegan?

Yes, Beyond Chicken Tenders are certified vegan.
