Our signature Colombian empanadas are the ideal appetizer for group meals, shared with friends and family. Crafted in the USA with the highest quality ingredients and absolutely delicious! Our passion for great flavor and value comes through in every bite.

Our creativity and passion for the highest quality latin foods runs deep in our roots. Inspired by the great latin cuisines, Paparepa Frozen Foods is South Florida's fastest growing brand in natural corn-based frozen entrées. Like most American dreams we started as a home based company.

Our purpose is to connect cultures through a shared love of and passion for latin cuisine. Our brand promise is that all of Paparepa's Premium Food Products are ethically made and of the highest quality, as well as delivering on superior taste profiles. Our blend of latin ingredients & tasty flavors deliver a memorable eating experience. We believe that our delicious finger foods will conquer most of the Hispanic market.
