Fine Applewood Smoked Meats

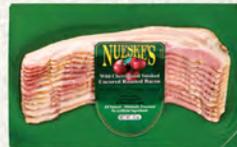

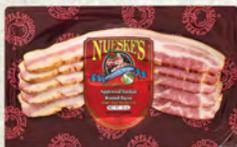

Family Owned & Operated Since 1933

Smoked the Old-Fashioned Way

Nueske's takes pride in using Applewood, which creates a unique flavor imparting a sweet, fruity taste that enhances pork and poultry. Combining carefully selected logs, instead of pellets or liquid smoke, and smoking in small batches over Applewood embers in our individual smokehouses, results in a complex flavor profile.

Using Old-World European smoking skills is a time-consuming process, but it makes a world of difference—in fact, world-famous award-winning smoked meats!

· Bacon · Ham · Chops & Loins · Sausage · Poultry · Beef ·

Nueske's has been bringing flavor to plates for over 90 years.
